### Description

The experience begins with the majestic 500 foot entranceway into The Brittany, lined with stately 75 year old pines, followed by a walk on manicured pathways, through the brick arch, revealing expansive lawns, oaks and evergreens. Let yourself into the hushed, chandelier lit hallway, then one turn of the key, and you've arrived home. Your ideal one, two or three bedroom garden apartment home is immense, designed to be the largest apartment home in the area, with a flowing floor plan and finished with elegant French doors leading to your private balcony or patio. A lighted tennis court and inviting pool and lounging deck are just outside your door. All this with a location near the heart of Pikesville, and only steps from the Metro make The Brittany the only choice for you. Please call for an appointment today.
